

Volunteer Drivers Needed for Cancer Patient Services

Marshall Cancer Services is in need of volunteer drivers to transport cancer patients to and from appointments in El Dorado County.

This is a unique opportunity for caring individuals to contribute their time to the local community.

SOME OF THE REQUIREMENTS THAT MUST BE MET:

- Volunteers must be 21 years of age with three or more years of driving experience as well as a clean driving record.
- A physical exam must be passed and immunizations will be given at no charge to the volunteer.
