

Orthopedic PA Opportunity

EL DORADO HILLS

Marshall is seeking a full-time physician assistant with an interest in orthopedics to team up with an orthopedic surgeon specializing in spine and general orthopedics.

The position will be a balance of clinical and surgical assisting, in both the inpatient and outpatient setting. Clinic practice will include performing office visits for pre-op and post-op spine patients, procedures such as therapeutic injections, casting, fracture reduction, and other procedures, along with managing clinic patients. Although not a primary day to day function of this role, this position, like the other Orthopedic PAs at Marshall, will be backup support to the Orthopedic walk-in clinic at Marshall's El Dorado Hills location. Our physicians are progressive and make continual improvement and practice enhancement top priorities, and are therefore open to potential expansion of the role of the PA.

ABOUT THE OPPORTUNITY

- Competitive salary + benefits
- Malpractice coverage
- Full-time position – four to five days per week
 - » 32 face to face hour over a minimum of 4 days per week
