

# Head and Neck Cancer Screening

**MARSHALL**  
MEDICAL CENTER

It's about you

**Do you smoke?  
Do you drink alcohol?  
Are you sexually active?**

.....

*If so, you may be at risk for CANCER*  
**A FREE 10-minute screening  
could save your life**

.....

**FREE ORAL, HEAD AND NECK  
CANCER SCREENING**

**Wednesday, October 16, 2019  
9 a.m. - 1 p.m.**

.....

Cold Springs Dental  
2900 Cold Springs Road  
Placerville

Come to the screening especially if you are experiencing any of the following symptoms:

.....

- A persistent sore throat or swollen tonsils
  - An unexplained change to your voice
  - A lump in your neck
  - A red or white spot in your mouth that hasn't healed
- .....

Early detection saves lives. Screenings are quick, painless and take about 10 minutes.

*Sponsored by the Marshall  
Cancer Center and Cold  
Springs Dental*
